GRASS AREA PLUG TO 101 Base need long cord Bunkleman-Decoteau

Do NOT open TIP OUTS until your neighbors are in
Pull all the way forward in your space before unhooking.
DO NOT park in the grass behind the RV area as the second row literally hangs out into the gravel road.
DO NOT leave your Trucks hooked up as others need to be able to pull in as well.
Remember the neighbors are your friends and fellow competitors

additional RV's
can be placed once FRONT RV
spaces are hooked up
